

CHITTENANGO LIONS CLUB

**THE CHITTENANGO LIONS CLUB WALLEYE DERBY ON ONEIDA LAKE
HAS BEEN CANCELLED FOR THIS YEAR
March 20, 2020**

As a result of the present Coronavirus-19 health crisis we are experiencing, we have had to make the decision to **CANCEL** this year's Lion's Walleye Derby on Oneida Lake, scheduled for May 2-3, 2020. We deeply regret we are forced to take this action, however our highest priority is the health and safety of those who participate in, and those who volunteer for, this Derby.

We greatly appreciate the loyalty from those of you who have supported us in the past, and we all hope that this derby will continue, as normal, next year. As Lions we will continue to serve our community and those in need to the best of our ability. Our decision has been a difficult one, not only for us but for the fishermen who look forward to our derby each year, and we hope and pray that this health crisis passes quickly. We are strong and will get through this together.
